The net was described to be 300 fathoms long and six deep, and the fishes sold for \$8,000, which put a capital finish to the whole transaction. The estimate that is now accorded this prepara tion by the inedical profession and by others com-petent to judge of its merit, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Pootland, by whom it has been successfully used in a career of an aggravated

J. L. Kidwell-Dear Sir : Some three months ago, through the agency of Col Smith Miller, our representation in Congress. I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a let-ter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the disease is arrested. 'I may add that my father has tried every physician of distination in Scotland and England, including Professors of Edinburg and Colleges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, which has entirely

This case will give your preparation a popularity in Britain which no other medicine has. Direct to William Dick, Eeq., Collydean, by Leslie Scotland, in care of Messrs. Penfoed, Clay & Co., Druggists, N. York, who will forward it. JAMES DICK.

Mr. Flint is a man of great influence in his county, and will with pleasure communicate with any one in reference to his case.

CALLAWAY COUNTY, MISSOURI, July 13th, 1864.
Sir—With great pleasure I inform that your tion of Beech Drop has accomplished for me what I thought beyond the reach of human agency For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulters and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form to use it. Enclosed you will find an order from some friends

for the preparation. Very truly, JNO. C. FLINT. For sale by Druggist' and Dealers in Medicines in Washington, Alexandria, and Baltimore. oct 14-d3m
